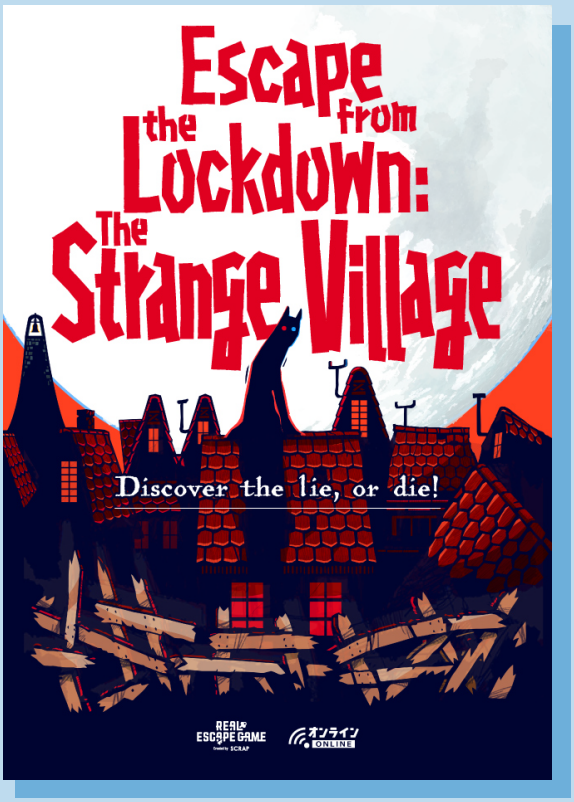
REAL ESCAPE GAME
Created by SCRAP

ONLINE ESCAPE GAME FOR VIRTUAL TEAMBUILDING EXPERIENCE

Looking for an exciting, intellectual, and unique team-building activity online?
We are offering the perfect game for you!

A werewolf is hidden among the peaceful villagers and the village is now under lockdown!
Participate in remote meetings with the villagers and find who the werewolf is!



Escape from The Lockdown: The Strange Village

Great game if you're looking for...

- Uniting teams around the world
- Event with customizable time
- No struggle for scheduling

Group Size:
Unlimited # of participants!
3~4 players/ per group
We can work with groups of 1~1000 and more!

Time:
120~180min (Including Introduction~Explanation)

$ Price:
About 27 USD per person (cheaper than the industry standard!)

Tools: Zoom / Google Meet or any communication tool!
As long as each of your staff has a laptop / PC / tablet with a internet connection, everyone can participate!

How does it work? On the game page, players will watch a series of videos and solve the puzzles.
We will provide you with game scripts and the game links that will be ready to be played!
You can host the event anytime you want.
Flexible to adjust for sudden change in schedule and number of participants on the day!

Customizable! We can provide our MC/ GM to boost your event! Or you can choose to run it on your own.
The overall game time is customizable (60min ~ 3hrs)
We try our best to adjust to any payment methods! (Credit Card, Invoice payment, etc..)
